

Kids' Life and Times Survey 2014 – Troubleshooting guide

What is the Kids' Life and Times survey?

Kids' Life and Times (KLT) is an annual survey of all P7 children in Northern Ireland covering issues important to children today. The survey consists of an online questionnaire lasting about 20 minutes and is completed by the children in school. The overall purpose of the survey is to inform relevant organisations of the views of children and to give children a voice in issues that affect them.

Further background information and instructions on how to take part in the survey are available in the Instructions for Teachers document on the KLT website at <http://www.ark.ac.uk/klt/teachers/>

When will the survey be available online?

This year's survey will be available online from 9.00am on Monday 3 November until 5.00pm on Tuesday 23 December 2014.

What questions will be in the survey?

The topics on the survey include children's views and experiences of the environment, play, school, children's rights, bullying, ageing and autism. If you would like to view the content of the survey before the children participate please go to <http://www.ark.ac.uk/klt/teachers/>

Who needs to give consent for the children to take part?

Please give each child in the class an opt-out form to take home to his/her parent or guardian. If their parent/guardian does not want them to participate, please ask them to return the form to you as soon as possible (the forms do not need to be sent back to us). Please ensure that the children whose parent/guardian has returned the opt-out form do not take part in the survey. At the start of the questionnaire, the child will also be asked if he/she wants to take part in the survey – the children do not have to take part if they do not want to.

Where do I get the opt-out forms?

Opt-out forms have been sent to every primary school in Northern Ireland. However, you can also download and print out the form from <http://www.ark.ac.uk/klt/teachers/>

Can I get the opt-out forms in other languages?

Yes – please contact martina.mcknight@qub.ac.uk or phone 9097 3722 to request translations of the opt-out forms for parents. We will then send this to you. We will also make these translations available online at <http://www.ark.ac.uk/klt/teachers/> so please check the website to see if a form is already available in the language that you need.

At the start of the survey asks for a school number – what is this?

Your School Number is printed on the letter sent to the principal of your school and on the teacher's instructions mailed to each school. Alternatively, you can use your school's DENI number. You can also find a full list of schools and school numbers at the end of this document.

Flash is not installed on my computer – can we still do the survey?

There is a short animated introduction to the survey, which is programmed in Flash. However, if you do not have Flash installed on your device (for example, if you are using an iPad), please select the non-Flash version of the survey (see the link at www.ark.ac.uk/klt)

If I have any queries or technical problems, how can I contact the Kids' Life and Times team?

You can contact us using the Kids' Life and Times Helpline number at **028 9097 3722**. If no one is available to take your call, please leave a message and one of the team will get back to you as soon as possible. You can also contact us by email martina.mcknight@qub.ac.uk

Thank you for taking part in the survey. The results will be available on the KLT website later in the year.
